Re: Women in FLA Broadcasting, Inc.

Request for Expedited Consideration

Dear Mr. Caton:

On behalf of Women in FLA Broadcasting, Inc., ("Women") licensee of station WDFL(FM), Cross City, Florida, this is to request expedited consideration of the Petition for Rulemaking to Amend the FM Table of Allotments. See, Notice of Proposed Rulemaking, MM Docket No., 92-252, 7 FCC Rcd 5941 (1992).

In its Notice of Proposed Rulemaking, the Commission adopted various changes of the FM Table of Allotments, including an upgrade for WDFL-FM from channel 292A to channel 295C1. Women is presently licensed to operate on channel 292A at Cross City, Florida. Reallotting channel 295C1 from Cross City, Florida to Bronson, Florida is a preferential arrangement, since Bronson will receive its first local service.

Accordingly, it is respectfully submitted that grant of this request for expedited consideration is in the public interest.

Respectfully submitted,

  
Robert J. Rini
